

mjl::convexPolygonIntersect

```
graph LR; A[mjl::convexPolygonIntersect] --> B[mjl::advance];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'mjl::convexPolygonIntersect'. The right box is gray with a black border and contains the text 'mjl::advance'. A blue arrow points from the right side of the left box to the left side of the right box.

mjl::advance
