The diagram illustrates a mapping or transformation process. On the left, there are two source boxes. The top box contains the text 'csmp::HeterogeneityAndRate' followed by 'AwareModel::dpcds_Phase'. The bottom box contains 'csmp::HeterogeneityAndRate' followed by 'AwareModel::WriteRelativePermeabilityTable'. On the right, there is a single target box with a gray background, containing 'csmp::HeterogeneityAndRate' followed by 'AwareModel::pc_Phase'. Two blue arrows originate from the right side of the source boxes and point towards the left side of the target box, indicating a flow or mapping from the source elements to the target element.
