

csmc::InterFace_Test::run

```
graph LR; A[csmc::InterFace_Test::run] --> B[csmc::InterFace_Test::NodeCoordinateMatrix_linear_test];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'csmc::InterFace_Test::run'. The right box is gray with a black border and contains the text 'csmc::InterFace_Test::NodeCoordinateMatrix_linear_test'.
