

csmp::Solver::Solve

```
graph LR; A[csmp::Solver::Solve] --> B[csmp::SparseMatrix::Out]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'csmp::Solver::Solve'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'csmp::SparseMatrix::Out'.

csmp::SparseMatrix::Out
