

source/includes/math
/compareFloats.h

```
graph TD; A[source/includes/math/compareFloats.h] --> B[limits]; A --> C[cmath];
```

The diagram illustrates the include relationships for the file `source/includes/math/compareFloats.h`. Two blue arrows originate from the bottom of the top box and point to the top of the two bottom boxes, indicating that the top box includes the two bottom boxes.
